

Osint Bot Presentation

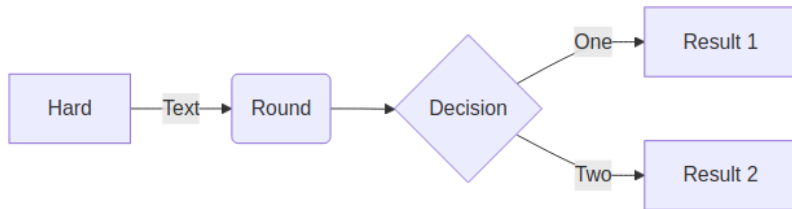

CEO | Yana Anisimova

What's the problem? Our people may be working for the enemy without even realizing it 2

Questions that arise when applying for a job

- Is the company I am going to work for connected to the aggressor country?
- Is it a reliable company?
- Is it worth getting involved?
- Will I have problems because I work or worked for this company?
- Etc.
- How can I quickly check an employer?

AI-based Telegram bot that checks employer using OSINT methods 3

- Find job postings of your employer on .ru and .by websites -
Analyze employer connections with the aggressor country using OSINT methods

It takes just 3 simple steps to get started: 4
